**PENTECOST SUNDAY:** Last Sunday Pope Francis addressed a group gathered for a Renewal in the Spirit meeting. As we keep the Feast of Pentecost some of his words to them ought to strike chords with each of us since they apply to all Christians not only those who are part of the Charismatic movement. "What is the very first gift of the Holy Spirit? It is the gift of himself, the one who is love and who makes us fall in love with Jesus. And this love changes our lives. That is why we speak of "being born again in the Spirit". It is what Jesus told Nicodemus. You have received the great gift of diversity of charisms, the diversity which becomes harmony in the Holy Spirit, and in service to the Church... Yes, you need organization, but never lose the grace of letting God be God! "Yet there is no greater freedom than that of allowing oneself to be guided by the Holy Spirit, renouncing the attempt to plan and control everything to the last detail, and instead letting him enlighten, guide, and direct us, leading us wherever he wills. The Holy Spirit knows well what is needed in every time and place. This is what it means to be mysteriously fruitful!" ([Evangelii Gaudium](#), 280). Brothers and sisters, remember: Worship the Lord your God. This is fundamental! Worship God. Seek holiness in the new life of the Holy Spirit. Be dispensers of the grace of God. Avoid the danger of excessive organization. Go out into the streets and evangelize. Proclaim the Gospel. Remember that the Church was born "on the move", that Pentecost morning. Draw close to the poor and touch in their flesh the wounded flesh of Jesus. Let yourselves be guided by the Holy Spirit, in freedom; and please, don't put the Holy Spirit in a cage! Be free!"
